1. The merits of Department of the Treasury membership on the IG/CI were discussed at the 4 April 1988 IG/CI meeting with a favorable consensus of the membership.

2. An invitation is extended for a designated representative from the Department of Treasury to attend the next IG/CI meeting, which is scheduled for 22 June 1988 at 0800 hours at FBI Headquarters. It would be appreciated if the Department of Treasury would provide a 5 to 10 minute briefing for the membership on the role of Treasury in counterintelligence, both domestically and abroad.

DEPARTMENT OF THE TREASURY

WASHINGTON

March 16, 1988

MEMORANDUM FOR:
Executive Secretary, IG/CI

25X1

SUBJECT: Treasury Membership on the IG/CI

It has recently come to my attention that the Department of the Treasury is not a standing member of the Interagency Group/Counterintelligence (IG/CI). As you know, Treasury is a member of the Intelligence Community, with formal representation on the National Foreign Intelligence Board, the Senior Interagency Group-Intelligence, and other high level fora. In addition, the Treasury Department has played a significant role on both the IG/CM(T) and the IG/CM(P), which is appropriate given the Department's technical security responsibilities as articulated in Executive Order 12333. Given the Treasury's wide range of responsibilities and authorities, both domestic and international in scope, in the areas of intelligence and national security, I strongly believe it would be appropriate for the Department to have representation on that Intelligence Community entity which is responsible for national counterintelligence policy. I therefore request that SIG-I Directive Number Two, dated 29 May 1986, (as well as any other relevant directives) be amended to include the Department of the Treasury as a member of the IG/CI. (C)

Please advise as to whether any additional justification or documentation is necessary in order to act on this request. (U)

Randall M. Fort
Special Assistant to the Secretary
(National Security)
